**Post Entry Type :** Transitional Fac

**Standard Reference :** 154.02.17 (Standard - Transitional Facilities for Biological Products)

**Transitional Facility :** Analytica Laboratories Ltd  
10 Ruakura Research Centre Bisley Road  
Enderly  
Hamilton

**Operator :** Terry COONEY

**Ref :** 19087

**Special Conditions :** You must comply with the import health standard(s) listed in this permit. For further information contact MPI at the top of the permit or via the MPI website; <http://mpi.govt.nz/law-and-policy/requirements/import-health-standards/>

Samples must be from healthy animals

1. All samples must be destroyed, either through testing or calibration processes, or following completion of analysis.
2. No samples are to be held in permanent storage or used for the purposes of micro-organism enrichment, isolation and/or culture.

This permit does not allow the culture, isolation or enrichment of microorganisms.

### IMPORTANT INFORMATION FOR PERMIT HOLDERS AND AGENTS

- 1 This permit, and compliance with the provisions of the specific import health standard(s) and/or entry conditions, does not guarantee that the goods you import will be given biosecurity clearance. There are other restrictions in sections 27 and 28 of the Biosecurity Act 1993 which apply to the giving of biosecurity clearance. The Biosecurity Act may be accessed at [www.legislation.govt.nz](http://www.legislation.govt.nz)
- 2 You will need to ensure that the goods you import comply with the provisions of the specific import health standard(s) and/or entry conditions that are applicable. The import health standard may be amended during the course of your permit. Import Management will notify you of any significant changes to the import health standard and will re-issue the permit to accommodate these changes.
- 3 There are a number of other provisions in the Biosecurity Act 1993 which may affect you. If you commit an offence against the Biosecurity Act 1993, heavy penalties under section 157 of the Act might apply.
- 4 Apart from the Biosecurity Act 1993, there are other laws relating to or prohibiting the importation of goods. This permit, and compliance with the provisions of the specific import health standard(s) and/or entry conditions, does not absolve you of the need to comply with these laws.

## IMPORTANT INFORMATION FOR PERMIT HOLDERS AND AGENTS

- 5 Unless specifically identified in 'Description of Items' or 'Special Conditions' of the permit, NO new organisms, including genetically modified organisms, are permitted entry under this permit.
- 6 All cultures must be:
  - clearly labelled with the scientific strain and name
  - consigned in leakproof packaging
  - free from contaminants
- 7 All new organisms must not be opened until received by the nominated containment facility.
